D1 Black

D2 Grey

highlight

The new designed folding grab bar has a different look and a more gentle shape. It can be installed close to a WC and works as an armrest, thanks to its ergonomic shape, and as a safety grab bar while standing up.

Chromed flange covers

Y87JISC148

Folding seat made of aluminium and covered with soft and warm to the touch polyurethane

highlight

Sturdy, incredibly soft and comfortable. When the seat is folded up it is not bulky in the shower enclosure, leaving more space for movement.
